HONORARY SERVICE AWARD NOMINATION

Each year the PTA gives special recognition to an individual for their exceptional service to children. If you know someone who deserves this recognition, please take the time to nominate him or her for this award. The person can be either a member of the staff, a teacher, a parent, or a volunteer. Please consider someone who has gone the "extra mile" over time in providing service to the students of Towers. The winner of the Honorary Service Award will be announced on February 23, 2012.

Submit your nomination "Honorary Service Nomination" via email or by dropping off in a sealed envelope no later than Tuesday, January 31st. The Honorary Service Committee will choose from the nominations and the recipient will be honored at the February 23th PTA Association Meeting. Thank you for taking your time to help Towers recognize someone who is very special to our Towers' Family.

If you have any questions, please contact Thalia Commins at (310) 371-6441 or by email: towers@thaliac.com.
