Anti-bullying Clinic

face mean students with confidence

Special offer for TUSD students

FREE Winter workshop

Our free workshop offers practical advice for bullying prevention. We teach students how to protect themselves with practical and simple steps to avoid, resolve and manage bullying situations safely in schools.

For class days and times, or for more info, call or go to MasterKwon.com

(space is limited, first come first served)

Give your child the gift of...

Protection

- Steps on how to protect themselves

Knowledge

- Role play on how to resolve conflict

Self-confidence

- To deal with mean kids
